

Counseling, Assistance, Resource, and Education
for the Terminally ill and Their Families

Vaisnavas C.A.R.E. integrates the knowledge of caring for the terminally ill with the spiritual wisdom given to us by our spiritual teacher, His Divine Grace A. C. Bhaktivendanta Swami Prabhupada. Educational seminars are provided for those interested in learning more about end-of-life care. In addition, an online course is available on our website, free of charge, that can give anyone a basic understanding of caring for the terminally ill and their loved ones. A Certificate of completion is awarded, and may be printed after answers for all ten lessons have been submitted. This is a non-credited course.
